Student Tuition Recovery Fund Disclosure

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

STUDENT LOAN INFORMATION

SKSM students are eligible to apply for Title IV assistance (federal student loans). Should you receive a student loan, you are responsible for repaying the loan plus interest, less the amount of any refund. If you default on the loan, both of the following may occur:

- The federal government or a loan guarantee agency may take action against you, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- You may not be eligible for any other federal student aid at another institution or other government assistance until the loan is repaid.

STUDENT'S RIGHT TO CANCEL AND REFUND POLICY

By California law, you have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment agreement is signed, whichever is later. A student wishing to cancel enrollment at the school and receive a refund should send their notice of cancellation or withdrawal by email to the registrar (registrar@sksm.edu) to be officially cancelled or withdrawn and receive a refund of unused tuition within 45 days.

Students who have matriculated at SKSM and begun their coursework may, after Late Registration, cancel courses or withdraw from the school using the following forms:

- The Change of Enrollment form to drop individual course enrollments.
- The Withdrawal form to withdraw from the academic program entirely.

Upon change of enrollment or withdrawal, SKSM students are subject to the following financial refund conditions:

Tuition Refund Schedule

For tuition paid by the student and/or supported by SKSM institutional tuition scholarships, the refund schedule will be as follows:

For semester-length courses (10+ weeks):

1. Prior to the end of Late Registration: full refund of tuition due for the semester.
2. During the 3rd week of classes: 80% of tuition paid that term.

3. During the 4th and 5th week of classes: 50% of tuition billed that term.
4. During 6th and 7th weeks of classes: 25%.
5. From the 8th week to the end of term: no refund.

**For Oregon residents: During 3rd-8th week of classes: 50% of tuition paid that term. After the 8th week: no refund.*

***For Washington residents: After the 5th week: no refund*

For intensive and intermediate-length courses:

1. By the conclusion of the 1st day of instruction: full refund of tuition.
2. By the conclusion of the 2nd day of instruction: 80% of course tuition.
3. By the conclusion of the 3rd day of instruction: 50% of course tuition.
4. After the 3rd day of instruction: no refund.

Return of Federal and Nonfederal Financial Aid Program Moneys

Students who receive federal Title IV financial aid are subject to the return of Title IV funds (R2T4) calculation, in which a pro-rata refund of federal loans is calculated by the number of calendar days up to 60% of the enrollment period. After 60% of the enrollment period is completed by the student, no refund of federal loan monies will be issued. See the SKSM Academic Catalog for the full R2T4 policy.

Additionally, any *nonfederal* financial aid program monies will be subject to the same pro rata refund calculation.

The transferability of credits you earn at Starr King School for the Ministry is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the _____ you earn is also at the complete discretion of the institution to which you may seek to transfer. If the _____ that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may

include contacting an institution to which you may seek to transfer after attending Starr King School for the Ministry to determine if your _____ will transfer.

TRANSFER OF CREDITS TO STARR KING SCHOOL FOR THE MINISTRY

Students admitted to a degree program who within five years prior to their matriculation with Starr King have completed course work in an accredited theological school, or a graduate religious studies program, or who have completed a certified unit of Clinical Pastoral Education may request that credits be transferred upon their admission to Starr King. Transfer credits count towards the required number of total credits needed to complete a degree program and the amount of tuition required will be reduced accordingly. Tuition credits will be prorated in accordance with the student's projected graduation date.

To request a transfer of credits, entering M.Div. or MASC students must submit a written request and written documentation (i.e. an official transcript from the other school, or a CPE final evaluation) to the Director of Admissions. Requests may be submitted any time during the admissions process and early submission is encouraged. Requests must be received no later than August 1 or January 15.

The request will be reviewed and acted upon by the Dean of Faculty (or, in their absence, the faculty member of the Admissions Committee). Signed approval of transfer credits will be communicated in writing to the entering student, the SKSM Registrar, the student's Advisor, and the SKSM Student Accounts Manager.

The following criteria will be applied in determining pre-admission transfer credits:

- Transferred course work must be relevant to the degree requirements and learning goals of the M.Div. and/or the MASC.
- Credit-hour equivalency will be determined by SKSM.
- No course work or CPE work that has been counted in the awarding of a completed degree at another institution will be transferrable. However, courses may be eligible for shared credit between the two degrees.
- Limits on allowable transfer credits will be observed.

Allowable limits on transfer credits:

- For M.Div. candidates, no more than 18 credits can be transferred.
- For MASC candidates, no more than 9.5 credits can be transferred.
